

Summer Work Experiences

Employer Registration Form

Sponsorship Level

See "Summer Work Experiences - Information on Wages & Program Costs" for more details on pricing.

Financial Sponsor

Please indicate the number of interns for this selection (if known): _____

This indicates that you are not able to host a summer work experience at your worksite, but are interested in sustaining the program by financially supporting an opportunity at a small business or non-profit. (Tax-Deductible Option)

Standard Worksite

Please indicate the number of interns for this selection (if known): _____

This indicates that you are able to support the wages of the summer work experience and host one or more youth at your worksite for the duration of the program.

Sponsored Worksite

Please indicate the number of interns for this selection (if known): _____

This indicates that you cannot financially support a summer work experience, but could host one or more youth at your worksite for the duration of the program. Through a network of providers, the WorkReady program supports subsidy opportunities at small businesses or non-profit organizations. There are limited subsidy opportunities and we will do our best to meet your request, but cannot guarantee that it will be met.

Contact Information

Please use legal name of company. The information entered will be used on all internal and external materials.
