

LAUNCH YOUR MANUFACTURING CAREER TODAY!

This program is funded through the PA Department of Labor and Industry's Business-Education Partnership grants. This grant allows Delaware County residents to take part in workforce development training geared towards high-priority occupations. This grant is carried out locally by The Delaware County Workforce Development Board, the Delaware County Chamber of Commerce and national workforce development company EDSI.

Are you looking for an exciting and rewarding career opportunity?

Get your career started and find out what it's really like to work in a manufacturing environment!

The manufacturing boot camp is Monday, March 3 – Friday, March 13!

Apply today at: <https://www.surveymonkey.com/r/DelCoManufacturing>
