Countywide Stay-At-Home/Shelter-In-Place Order: EXTENDED to June 4th

By order of Governor Wolf, the Stay-At Home Order has been extended for all counties in the "red" phase until June 4th. **ALL** residents of Delaware County are to remain in their homes. You may continue to work if your employer is a life-sustaining business. Residents are only allowed to leave their homes for trips to food markets, doctor appointments and any other necessary outings. While out, practice the principles of Social Distancing.

Universal Masking

Employees and customers are required to wear masks inside essential businesses. Businesses are ordered to deny entry to any customers who are not wearing a mask, unless the business is providing medication, medical supplies, or food, in which case the business must provide alternative methods of pick-up or delivery of goods. Exceptions include people who cannot wear a mask due to a medical condition and children under two years old.

The CDC and Governor Wolf now recommend that the general public wear a basic cloth mask anytime they leave their home for life-sustaining reasons. Medical-type masks should be reserved for healthcare workers. More information can be found at: <https://www.governor.pa.gov/newsroom/gov-wolf-calls-for-universal-masking/>
