Subject: December 9th Council Meeting

Hello,

My name is Adriene Webster. I live at 2407 Chestnut Street, Chester PA.

I submitted information for last month's Council Meeting and listened on FaceBook as it was addressed. Thank you very much for listing my concerns at November's meeting. I appreciate all that work our City Officials do for the community.

The City Engineer, Michael Gilante should be submitting a proposal for December's Council meeting regarding the property located at 2405 Chestnut Street to obtain funds for demolition of the property.

Please advise how I can validate to ensure this submission has been received by your office.

Thank you for all your help and all you do for the Chester community,

Adriene Webster

Happy day Bob--

Below, please see a Public Comment submission for tonight's meeting from Adriene Webster.

Please note, this is her second Public comment submission for December 9th's Council Meeting. She would like both public comments read during the meeting.

The first email submission was forwarded to Ken's attention via email yesterday. I will send that over to you now.

Subject: Please submit for Dec 9 Council Meeting. Thank You

Hello,
My name is Adriene Webster I live at 2407 Chestnut Street, Chester PA.

I wanted to say thank you for considering my issues and moving to resolve all concerns with the dilapidated property located at 2405 Chestnut Street.

I wanted to thank Honorable Mayor Kirkland for acknowledging my on-going, deeply troubling and financial drain and hardships this has caused my family. I also wanted to thank Mr. Michael Gilante and Mr. Walker for visiting the property site, performing an inspection and determining this merits total removal as it's fallen down and will soon bring my property down with it, literally. I am very fearful of the property condition of 2405 Chestnut Street. I wanted to thank Mrs. Livia Smith for reaching out to me as well confirming this is on the radar of multiple departments in the City of Chester to be resolved.

I look forward to this moving forward and understand the legal procedures that must be adhered to under the law. I believe everyone is working as hard as they can to resolve this for the community and for my family.

I appreciate all the hard work our City Official do to keep our community safe and clean for Chester residents.

I will continue to keep in touch to remain abreast of progress on 2405 Chestnut Street Chester PA.

Thank you All,

Subject: Fw: Public Comment Submission for (9 Dec 2020) Council Meeting

Happy day --

This is the last public comment submission for the December 9 Council Meeting. Please see below from Nolan Fontaine.

Subject: Public Comment Submission for (9 Dec 2020) Council Meeting

Greetings Ms. Cleveland,
Thank you for letting me resubmit- please see my address below followed by my question:

509 Florence Drive
Chester, PA 19013-3065

Question:
Has the city looked into therapeutics for COVID-19 (such as plasma therapy, Regeneron or Interferon Alpha 2B) instead of primarily focusing vaccines? Will the city commit to looking into these supplemental medical solutions?

Thank you for your time & be safe.

Respectfully,

Nolan L. Fontaine
