Subject: Please submit and read for March 10th, City Council Meeting

> Hello,
> My name is Adriene Webster. I live at 2407 Chestnut Street, Chester PA.
>
> I wanted to express my deepest appreciation to all Members of Council and especially Mr. Michael Galante and anyone else I may be missing who has assisted my family in resolving our on-going issues with the adjacent property.
>
> I attended the Council Meeting for Media, Delaware County, February 17th at 6:00 p.m. and heard the approval of demolition funds for the property 2405 Chestnut St as well as one other property in Chester at that meeting.
>
> Mr. Welsch, of Housing, was very nice to explain the process and timeline to me. Mr. Galante also explained this timeline as well. Thank you so much.
>
> Next steps would be application processing and BID process. I eagerly
> look forward to having this resolved by end of March or sooner. I've spoken with my current exterminator, Terminex, and they advised once demolition starts to put down rat traps as multiple rodents and vermon would be disturbed because this home was vacant so long.
> Thank you, again, and look forward to having a safe and clean environment again soon.
>
> Thank you,
