Hello Mayor and Council members,

On April 15th I sent the attached email in reference to items dumped in the alley closest to 10th Street between Harwick Street and Booth Street and repaving of this alley. I also called the bulk department on April 16th. I was referred to Mr. Knox, in reference to the lights. I left a message which until this date has not been returned. I called bulk again on May 24th, left a message which has not been returned either. I've attached our previous emails. Items have been dumped on several occasions and picked up by the city. However these items have been in this alley over a month. One of my neighbors had items picked up last week on Booth Street, but the items in the alley weren't taken. The alley is pitch black at night, we really need bulbs put in or the lights fixed. The entire alley needs repaving. The area where they dump the items has a very large hole in the pavement. I would appreciate these items being taken care of.

Thank you,  
Margaret Johnson

Hello Councilwoman West,

Someone dumped mattresses in the field behind the laundromat at 9th & Harwick Street earlier this week. This evening around 8:00 pm I heard a really loud vehicle turn into the alley on the side of my house. It was dark in the alley but I saw someone throw what looked like a black plastic bag out of the vehicle. The person then threw out a mattress. I yelled at him and he pulled off. I also called the police.

They are dumping so many mattresses. I wonder if a hotel or facility is doing renovations. Can an officer in a unmarked police car drive by this area after dark? It appears that they will continue to dump in this area.

Thank you,  
Margaret Johnson
