## **Council Meeting Update**

**April 13, 2022**

Good morning. The PA Department of Health reports that there have been 6813 positive cases reported in Chester since the start of the pandemic. Since March 4, 2022, there have been 41 reported cases of COVID-19. While this continues to represent a downward trend, research experts believe that this is likely an inaccurate representation of the case count, due to a lack of reporting of positive cases. The CDC reports that the Delaware county area community COVID level is Low. Unfortunately, the data regarding vaccines and booster shots has not been updated since March 4th. The state has not provided guidance as to when we can expect the updated information.

On Friday, April 29, 2022 state representative Brian Kirkland will be having a Cancer Awareness luncheon. It will be held from 10-2 in the upper Chichester township building (8500 Furey Rd, Aston, PA). RSVPs are required to attend. If anyone is interested, please call Representative Kirkland's office at 610-876-6420.

Finally, just a reminder, April is National Minority Health Month. Please encourage your loved ones to visit their primary care provider to get their regular health screenings.

Thank you.

STATE REP. BRIAN KIRKLAND PRESENTS  
**CANCER AWARENESS**  
LUNCHEON

Area cancer survivors and those who have lost a loved one to cancer are invited to my annual luncheon.

Enjoy great food while hearing stories of resiliency during this uplifting event.
